ANNOUNCEMENTS

COVID-19 Updates

The [COVID-19 Response website](#) is where we post the latest information about the pandemic, including a new COVID-19 Dashboard that is updated every Tuesday.

Calendar: Upcoming Professional Development Opportunities

Check out upcoming professional development opportunities! The TILT TigerLearn event calendar is your go-to for professional development at FHSU! Check it out here: <http://tigerlearn.fhsu.edu/events/>.

To provide faculty and staff with one easy place to see all professional development at FHSU, we're happy to include your event on the TigerLearn calendar. We can include links to your registration site, contact persons for questions, etc. Just contact TILT-FacultyDev@fhsu.edu, and we'll add your event right away!

Fort Hays Singers Selected to Perform at Pearl Harbor, Hawaii - Join the Trip or Support the Trip

The Fort Hays Singers, Terry Crull, conductor, have been asked to sing at the ceremonies at Pearl Harbor to commemorate the 80th Anniversary of the Dec 7th, 1941 attack. We are the ONLY choir from Kansas asked to perform at this event. A DISTINCT HONOR! The trip will be Dec 4-9, 2021.

Donations to help the STUDENTS travel can be sent to our account at the FHSU Foundation.

MDC Spring SHRM Online Course

Online Course: SHRM Certification Online Prep Course

Course Dates: Feb. 8 – May 2, 2021

Price: \$1200 (discounts available for FHSU Alumn, early registrations and students)

Instructor: Mr. Tom Zerfas

Do you know a student, acquaintance or co-worker who could benefit from a professional HR certification? If so, feel free to share this course with them!

The SHRM-CP & SCP certifications will allow you to be recognized as a qualified and valuable HR professional. The MDC's SHRM Certification Prep Course is designed to set up individuals in the HR field for future success by greatly increasing their chances of passing the SHRM-CP and SHRM-SCP exam to obtain these certifications. Participants will benefit from expert instruction, the SHRM Learning System—the official certification prep tool, and supplemental materials on FHSU's Learning Management System, Blackboard. The course concludes right before the next SHRM certification exam testing window, so you don't have to worry about forgetting what you just learned.

This course is structured as an asynchronous, independent study. Expert instruction and support will be available to all participants throughout the course by SHRM-certified instructor Mr. Tom Zerfas. Students

are eligible to receive 3 credit hours for this course, making it a great addition to their spring course schedule.

Register by **January 29**. Early registration ends **January 18**.

For more information on this course, visit the [MDC's website](#) or [email us](#)!

Online Science Café Presents: “ARE WE ALONE IN THE UNIVERSE?”

Monday, January 25, 2021 at 7:00pm

We are at an interesting time in planetary studies. Deep-space missions are now able to explore potentially-habitable worlds within our Solar System and beyond.

Within the next few years we may finally be able to answer the ultimate question – Are we alone in the universe?

Presenter: Dr. Paul Adams, Dean, College of Education, Professor of Physics and Anschutz Professor of Education, NASA JPL Solar System Ambassador, Fort Hays State University

MDC Workshop – Applying COVID-19 Science to Your Workplace & Lifestyle

Tuesday, January 12th, February 16th, March 16th, and April 13th at 3:00 – 5:00 pm

Workshop held via Zoom

The MDC and the Center for Entrepreneurship are continuing to offer short virtual sessions about the critical knowledge of COVID-19 throughout the spring 2021!

These sessions cover the science COVID-19 including its origins, clinical signs and symptoms, risk factors, diagnosis, transmission, and the infectious period. The goal is for you leave informed, confident, and safer. During the 2-hour session, participants will complete the first 50 minutes of a 7-hour course on *Covid-19 Contact Tracing* offered by Johns Hopkins University, which can be completed to earn a certificate at no charge after the virtual session.

Both during the course between the video modules and after the course, the facilitators will lead a robust discussion driven by participant questions. One popular topic discussed is the risk-benefit mindset unique to each individual. Also covered are the public health impacts and the broader social and mental health implications of COVID-19 from the perspective of an Ellis County Health Department official.

Learn more: <https://fhsu.edu/cob/mdc/covid19-course/index>

As FHSU faculty and staff, your registration fee is complimentary, thanks to your FHSU Vice President. ***Limited funding is available annually per division.*** For those in Academic Affairs: your registration fees are complimentary for up to two workshops per year.

Registration can be completed online at <https://webapps.fhsu.edu/MDC2.0/Default.aspx> or by calling the MDC at (785) 628-4124.

Student Programming Survey

Hey Tigers! Student Engagement wants to hear from you when it comes to creating fun and engaging programs for the remainder of the fall semester and spring semester! Please take a few moments to complete this [survey](#) and give us feedback about what you want. If you have any questions please contact Student Engagement, engage@fhsu.edu, 785-68-4664. We appreciate you taking the time to complete the survey!

2021 Kansas Undergraduate Research Day- Abstract Submission Open

We are now accepting 250-word abstracts for the 2021 Kansas Undergraduate Research Day at the Capitol. This event is an opportunity for undergraduate students to present their research experiences with state lawmakers in Topeka scheduled for Tuesday, Wednesday, and Thursday, March 2, 3 & 4, 2020.

Due to COVID restrictions, this event will be virtual this year.

DEADLINE FOR ABSTRACTS: Monday, January 25, 2021

This event will showcase the work of up to 40 Kansas undergraduate students representing each of the state's eight public 4-year institutions. The purpose of this event is to demonstrate the unique opportunities undergraduate students have to participate with faculty members in research at all state institutions. This event will also emphasize higher education's role in developing educated citizens and preparing a workforce with the necessary skills to further the economic growth of the state.

Undergraduate students who have been significantly involved in the research enterprise of the university either with their own project or through meaningful involvement with a faculty project are desired as participants. To qualify for this event, participants must:

- be undergraduates during the 2020-2021 academic year;
- have completed research under the guidance of a Kansas 4-year public institution faculty mentor;
- follow the methodology of the appropriate academic discipline;
- be of sufficient quality to be presented at a professional academic meeting;
- have the skills, resources, and capacity to produce a professional academic poster;
- agree to undergo presentation training and rehearse their presentations prior to the Capitol event.

Participants should be able to convey their experience and enthusiasm to state representatives, senators, and other state officials in a poster session. Projects from a broad range of disciplines are encouraged - especially posters that relate to the state of Kansas and issues important to the state legislature (e.g.

education, health, agriculture, aviation, biotechnology, energy, transportation, manufacturing, environment, and social services). Up to 5 projects will be selected from each institution.
